

Case Study

Client HR Owen Sports Cars Ltd
Location Station Road, Pangbourne
Project Lamborghini Showroom & Aftersales

To serve the Berkshire and Oxfordshire area, HR Owen has opened a new dealership and aftersales centre, offering both sales and service support, for the world-renowned supercar. The aftersales centre, in a separate building to the rear, provides factory-trained technicians together with performance and styling accessories.

EHW were commissioned to undertake the project management, design and contract administration of the extension and refurbishment works to incorporate the Lamborghini corporate identity next door to the existing Bentley dealership in Pangbourne, Berkshire. The internal layout of the open-plan showroom includes a feature staircase and floating balcony to the customer lounge. The high quality fixtures and fittings and neutral palette throughout were all designed and installed to the brand's exacting standards.
